They will be taught to navigate appropriate computer hardware to fulfill course objectives. The instructor will monitor the students’ progress throughout the semester and assist students on individual basis as needed.

COURSE GRADING BASED ON COURSE OBJECTIVES
This course is on a credit/no credit basis. It is necessary for each student to attend the required number of hours (M/W-31:25) to receive the one unit credit for the semester. Any time the student is absent, she/he must make up the time missed
within the following two weeks. Makeups must be done when there is another English 010 class in session. Each student will be allowed to make up a maximum of three class meetings (three hours five minutes) during the semester. **(NO EXCEPTIONS)** Students may be dropped after the third consecutive absence regardless of the total time attended up to that moment. Student ID card is required to check in at the Language Laboratory.

**NOTES:**

1. If you miss more than two hours and forty-five minutes during the semester, it will be considered being absent three times. (Each class session is 65 minutes.) When you leave the Language Laboratory for any reason, you have to check out and check in when you return.
2. Each student is required to bring a pencil to keep records of work completed. A notebook to keep notes is recommended, but not required.
3. Language Laboratory Rules must be followed at all times.

**ATTENDANCE**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
