COURSE REQUIREMENTS & INSTRUCTIONAL METHODS

Lectures based on each lesson. Students will engage in activities related to the lessons – whole group activities, pair work, and individual work.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC (Western Association of Schools and Colleges) has adopted a similar requirement.

COURSE GRADING BASED ON COURSE OBJECTIVES

It is estimated that each student should invest 10 hours a week on class preparation. Each student is responsible for required readings and written/spoken assignments from each unit in the textbook and workbook. In addition to that, as part of your assignments, you will be required to go to the Language Laboratory once a week for 1 hour (60 minutes) and work on specific assignments. (Student ID card is required to use the Language Laboratory.) Throughout the semester you will give a variety of speeches: 1) *My Role Model* (March 20, 2015); 2) *Demo Speech* (April 24, 2015); 3) *My Plans for the Future* (May 22, 2015).

1. Attendance & Participation 8 points
2. Progress Tests 35 points
3. Assignments (Including language lab work) 10 points
4. Oral presentations 12 points
5. Final Exam 35 points

Total 100 points

90-100 points = A 80-89 points = B 70-79 points = C
60-69 points = D 0-59 points = F

NOTES:

1. **NO makeup tests** will be given. You will automatically receive “F’s” for missed exams. If you are **absent the day of the final**, you will not be allowed to take it later. You must make previous arrangements if you need to take it at an earlier date.

2. If you leave class earlier, it would be counted as an absence.

3. **No late assignments** will be accepted without previous arrangements.

4. **Research is needed for the last speech.** If you are absent the day of your presentation, you will automatically receive an “F” for that assignment. There are **NO MAKEUPS** for oral presentations. **NO EXCEPTIONS**!
ATTENDANCE

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.

- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
