**Course Grading Based on Course Objectives**

- Papers are awarded points based on a six point scale. Points reflect the overall quality of the work turned in, how complete the work is, and whether the instructions for the assignment were properly followed.

- **Papers that do not demonstrate competency in the basic writing skills of grammar, spelling and punctuation will not receive passing scores.** (See essay rubric below for specific grading criteria.)

- Editing and conferencing days are part of your grade for the essays and research paper.

**Scale:** 6.0-5.0=A  4.9-4.0=B  3.9-3.0=C  2.9-2.0=D  1.9-1.0=F  0=Missing or incomplete
Criteria for a High-Quality (A) Paper

ORGANIZATION:
This paper has a clear organization that avoids repeating ideas. It uses a variety of transitional words and phrases effectively to link thoughts together. Each point in the paper is clear and distinct. It has a distinct introduction that effectively leads up to the thesis. The thesis statement is clear and narrow enough to focus the paper. The rest of the paper supports the thesis. The conclusion ends the paper in an effective manner.

DEVELOPMENT:
Body paragraphs are fully developed with at least seven sentences and specific examples used as needed to prove the points. The introduction leads up to the thesis and is developed as a paragraph, not just a couple of sentences. The paper is the assigned length.

CRITICAL THINKING:
This paper shows the student’s ability to take information and discuss the relevancy, accuracy or importance of that information. Opposing points of view are discussed, if applicable. Good quality and helpful examples are used. Conclusions avoid summary.

RESEARCH:
This paper follows MLA format precisely. The works cited page is done correctly and includes at least four or five entries. Internal citations match the works cited page. The student demonstrates an emerging ability to evaluate sources by using only good quality sources in the paper. There is no plagiarism in this paper.

MECHANICS:
This paper demonstrates excellent grammar, spelling and punctuation skills. There are few or no GPS errors in this paper. The paper has a variety of sentence types and patterns. The paper shows a good command of the English language and no ESL errors will be found.

Paper is clearly written for an academic audience. It is written informal language and idiomatic expressions are kept to a minimum.

Scoring Rubric
5.8-6.0  (“A+”)  Excellent
This paper exceeds all of the above criteria and demonstrates advanced skills. You rock!

5.0-5.7  (“A”)  Very good
This paper meets all of the above criteria and demonstrates solid writing skills. Very good.

4.0-4.9  (“B”)  Commendable
This paper successfully meets the above criteria but may have a few mechanical errors or minor problems. It might be a little weak in critical thinking. Use of college-level vocabulary may need improving. This paper is pretty good.

3.2-3.9  (“C”)  Acceptable
This paper shows a general competency in the above criteria but still has some noticeable problems. Basic GPS skills are OK but still show occasional errors. The paper might be a little short or the paragraphs maybe slightly underdeveloped. The thesis statement or conclusion might be a little weak. Examples or evidence may be minimal or superficial. The paper is unimpressive but functional.

2.9-3.1 (“D+/C-”)  Borderline
This paper is on the edge and not really acceptable. Critical thinking may be minimal and shaky. Evidence and examples are probably of poor quality. Research may not be done in depth or embedded properly. It probably has frequent GPS errors. Lack of effort, lack of preparation, or lack of editing may be showing. Review your textbook and class notes. Apply what you learned to your writing. Time for some serious studying!

2.0-2.8  (“D”)  Not acceptable: Below minimum standards
This paper does not show competency in most of the above criteria. There are far too many errors or problems. The paper may be too short. Command of mechanics may be very shaky. Editing may be minimal or non-existent. Student may not understand the subject, the assignment, or the reading. The paper might not follow proper MLA protocol.

1.0-1.9  (“F”)  Very poor
This paper has significant or pervasive problems. The writing skills demonstrated may not be sufficient for success in this class. The student might not have understood the assignment or the material. Instructions for the paper might not have been properly followed. Research may be minimal or lazy. The paper may be using unacceptable or poor-quality sources. Paper may be incomplete.

0  (“F”)  Missing or not accepted for scoring
This paper was never submitted or it was not accepted for scoring. It might be incomplete or submitted too late. The paper might be showing signs of plagiarism. Perhaps the paper was not submitted into Canvas properly (if required).

Homework and Late Work:
- I may refuse to accept late work. Homework due dates are listed in the class outline.
- If I do accept your late work, it will lose points. I do not accept incomplete assignments.
- I may make changes in the outline or portfolio as needed.
- **Keep all graded papers.** These are like receipts for you in case you suspect an error in your final grade. If you do not have the papers, there is nothing I can do, and the grade will have to stand as is.

**Attendance**

Since much of our work is done in class, there is a close correlation between regular attendance and success.

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.

- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

- If you choose to stop attending class, it is your responsibility to drop yourself officially. If you stop attending class and do not drop, you may receive an “F” in the class.
Come on time and stay until the class is dismissed. Don’t forget to sign the roll sheet. If you forget, you will be marked absent. Don’t let anyone else sign you in.

If you are absent, find out what you missed right away and complete it in a timely manner.

**Classroom Etiquette**

- Try to be on time to class. Straggling in late (especially on a regular basis) is rude and distracting.
- Please use the bathroom and cell phone before or after class. Unless you have a biological emergency, it is rude and disruptive to just get up and walk out.
- No food in the classroom. No soda cups with straws and no coffee cups.
- In an English class all group discussions are conducted in English.
- Avoid vulgar or “street” language during discussions. Don’t assume everyone in your group uses that kind of language or approves of it. In other words, let’s show some class in this class!
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities please refer to the IVC General Catalog available online at http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.
- **I require cell phones to be not just turned off, but put away off the desk. Do not be using your cell phone during class, or I may ask you to leave.**

**Academic Honesty**

- **Plagiarism** is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly cite a source, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.
Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) use of a commercial term paper service

**Bringing prewritten materials from home for in-class writing will be considered cheating and will be handled accordingly.**

**Additional Student Services and Support**

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- **Learning Services.** There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your [Campus Map](#) for the [Math Lab](#): Reading, Writing & Language Labs; and the [Study Skills Center](#).
- **Library Services.** There is more to our library than just books. You have access to tutors in the [Study Skills Center](#), study rooms for small groups, and online access to a wealth of resources.

**Resources:**

- The skeleton lecture notes can be found on my website or on Canvas. Skeleton notes do not always have a lot of explanation with them. They can be helpful for review, but they are not meant to take the place of being in class and hearing the lecture.

- If you feel that you need more sentence practice than we have time for, check out these [O.W.L.s](#) (Online Writing Labs) for more grammar practice as well as for other writing topics: [http://owl.english.purdue.edu/](http://owl.english.purdue.edu/) (Click on non-Purdue instructors and students.) or [ww.roanestate.edu/owl](www.roanestate.edu/owl)
To access my website go to the IVC home page. Click on Home at the top. Click on faculty websites. Find my name and click on that.

To submit a paper into Canvas VeriCite: Go to Canvas. Click on appropriate assignment. Click on Submit Assignment. Browse, find file and download. Click on box that says, “I certify that I have read . . .” and submit. To check your similarity score, go to the Grades link. I do not keep grades on line, but this is a way to check the similarity score for your paper.

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

Their goal is to ensure a seamless transition from military to civilian life. The Center is located in Building 600 (Office 624), telephone 760-355-6141.
The Extended Opportunity Program and Services (EOPS) offers services such as priority registration, personal/academic counseling, tutoring, book vouchers, and community referrals to qualifying low-income students. EOPS is composed of a group of professionals ready to assist you with the resolution of both academic and personal issues. Our staff is set up to understand the problems of our culturally diverse population and strives to meet student needs that are as diverse as our student population.

Also under the umbrella of EOPS our CARE (Cooperative Agency Resources for Education) Program for single parents is specifically designed to provide support services and assist with the resolution of issues that are particular to this population. Students that are single parents receiving TANF/Cash Aid assistance may qualify for our CARE program, for additional information on CARE please contact Lourdes Mercado, 760-355-6448, lourdes.mercado@imperial.edu.

The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and
shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.

**Student Rights and Responsibilities**

Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities please refer to the IVC General Catalog available online at [http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762](http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762)
