2. Synthesize information from multiple sources to produce a research paper that is formatted and documented according to MLA guidelines. (ILO1, ILO2, ILO4, ILO5)
3. Demonstrate an ability to comprehend and interpret a variety of college-level texts, including complex arguments and at least one full length novel, play, or non-fiction book, without relying on outside sources for assistance (ILO1, ILO2, ILO3, ILO4)

### Course Objectives

Upon satisfactory completion of the course, students will be able to:

3. Demonstrate a thorough understanding of the writing process, from development and drafting to revising and editing.
4. Demonstrate a command of varying writing patterns, such as comparison and contrast, definition, and argumentation.
5. Demonstrate an understanding of connotative and figurative language while writing for an academic audience.
6. Adapt writing strategies to the requirements of the writing situation (e.g., to essay exam or other timed writing, research writing, reflective writing)

- This class uses the Writing Workshop Method, which provides time and help in class to improve your writing.
  - Peer conferences plus individual conferences with the teacher.
  - Essays going through several drafts.
  - Essays submitted through Canvas.
    - Essays must be submitted electronically and in hard copy to be eligible for grading.
    - Electronically submitted essays do best saved as a pdf.
- All essays use MLA format. This will be gone over in class.

- Class is taken to the Writing Lab to work on their essays the last class prior to the essay due date.

Resubmitting Essays: After the mid-term and before the final exam, a student may rewrite and resubmit any one essay for regrading. The resubmitted essay may only be resubmitted once. The grade for the resubmitted essay, if higher than the original grade, will replace the original grade in the gradebook for that specific essay.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.
  - English 110 is a 4 credit class.
  - 4 hours spent in class.
  - 8 hours spent out-of-class reading, studying, and doing assignments.
  - Total time per week spent on a 4 credit course = 12 hours

Course Grading Based on Course Objectives
- Grading Scale
  - A = 90-100%
  - B = 80-89%
  - C = 70-79%
  - D = 60-69%
  - F = 0-59%
- Grades:
  - Essays – 15%
  - Writing Tests – 20%
  - Research Project – 15%
  - (QJPDT) - quizzes, journals, planning, drafts, Toolwire Game scores – 10%
  - Mid-Term – 15%
  - Final – 25%
- Assignments - General
  - Assignments are due when collected, usually at the beginning of class.
  - Missing assignments result in zeros. (Zeros can lower grades to the point the student fails the class.)
  - If you arrive after the assignment has been collected, your assignment is late and do not earn points.
  - Make arrangements to use campus printers before class begins.
  - Emailed assignments are not accepted unless specifically requested.
  - Students who arrive after an activity has begun will not be individually accommodated.
There is no extra credit.
Grades are available through Canvas 24/7
Canvas grades are neither rounded up nor rounded down. The grade is what it is.

- Assignments – Essays and Research Project
  - Planning and drafts must be submitted when due to earn points. Items submitted late do not earn points.
  - Each preparation item (planning, drafts, research items), must be submitted in sequence before the student moves on to the next item.
  - All preparation work must be successfully completed before the assigned item (essays, research paper) can be read and graded.
  - Writing assignments submitted after the due dates lose 5 points for each day past the due date.
  - Writing assignments must be submitted electronically and in hard copy to be eligible for grading.
  - For writing assignments graded online comments are available online for students once the essays are graded.
  - After the mid-term and before the last day of class, not exam week, any single essay (not writing tests) may be rewritten and resubmitted for grading. Once graded, the writer decides if the resubmission grade should replace the grade given the original essay.

- Essays:
  - Essay #1: possible 50 points
  - Essay #2: possible 100 points
  - Research Paper: possible 150 points

- Quizzes:
  - Quizzes will cover Old Man’s War, Tribe, Sources, and general writing skills covered in class such as MLA format and various writing techniques.

  - The lowest quiz grade is dropped.
  - Late arrivals are not provided extra time to complete quizzes already in progress.

- Writing Tests:
  - Three in class Writing Tests are given during the semester.
    - Writing Test #1 = possible 50 points
    - Writing Test #2 = possible 75 points
    - Writing Test #3 = possible 100 points
  - Students may use a hard copy dictionary and texts as needed during a Writing Test.
  - Writing Tests are practice for the mid-term and the final.
  - One missed Writing Test may be made up within five school days of the day it was originally given. A second or third missed Writing Test may not be made up.
  - It is the student’s responsibility to make arrangements to make up a missed Writing Test.
  - Missed Writing Tests are made up in the English Department in the Science Building.

- Toolwire Writing Games
  - Lab time is scheduled to get started on the games.
  - One game is assigned each week.
  - Students have one week to complete that week’s game.
  - Each game is worth a possible 20 points in the gradebook. For example:
    - 100 score = 20 pts
    - 95 – 99 score = 19 pts
    - 90 - 94 score = 18 pts
    - 85 - 89 score = 17 pts
    - 80 - 84 score = 16 pts
    - 75 – 79 score = 15 pts
  - The games may be played repeatedly until the desired score is achieved.
  - The student prints out the pdf score sheet and submits it in class.
  - Only one score sheet will be accepted for each game.
  - The score for each game goes into the grade book as a quiz.

- Mid-Term and final Exams
  - Mid-Term and Final Exams are each worth 100 points.
  - If missed, neither the mid-term nor the final exam can be made up.
  - Both exams are essays discussing some aspect of Tribe or Old Man’s War.
Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Missing class means missing out on vital information and instruction as well as possible quizzes and Writing Tests. No one chooses to be ill, and illness is a valid reason for missing class. Non-emergency medical appointments, counselor appointments, vacations, and trips should be scheduled outside of class time.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor. Exceptions: e-readers (kindle, Nook, iPad mini) or laptop
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps in regular classrooms are the only exception. Additional restrictions apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to 'cite a source' correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct.

Acts of cheating include, but are not limited to, the following:
(a) plagiarism
(b) copying or attempting to copy from others during an examination or on an assignment
(c) communicating test information with another person during an examination
(d) allowing others to do an assignment or portion of an assignment

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive
services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

• The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
