Attendance

Arriving late/leaving early and missing class will affect your Attendance & Participation points. If you have a valid excuse for missing class (and can provide documentation), talk to me or send me an email.

Homework MUST be turned in at the beginning of class. If you are late, your homework is considered late. Late homework will receive partial credit only (50%). You must turn in any missed homework on the following class meeting for partial credit only (50%). For example, if an assignment is due on Tuesday, and you don’t do have it, you have until Thursday at the beginning of class to turn it in for partial credit (50%). If you bring it on Tuesday of the following week, I will not accept it.
If you know that you are going to be absent on a day the students are taking a quiz/test, and you have a valid excuse, you must speak with me to schedule an appointment to take the test/quiz or give the speech in advance. Only students who have a valid excuse will be allowed to make up work. No make-up quizzes/tests or presentations (speeches) will be permitted without a prior arrangement. Make-up quizzes/tests will be taken in the Study Skills Center by appointment only.

**Study Skills Center** (located in the library) / (760) 355-6384 / studyskillscenter@imperial.edu

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.

### Online Netiquette

However, you need to be aware that sometimes it may take me up to 48 hours to reply especially if you email me on weekends. Your emails need to be written in English. I will ignore emails written in Spanish or any language other than English.

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.

messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

Cheating will not be tolerated in this class. If you are caught cheating, you will receive a zero on the test or assignment. If the behavior is repeated, you will be reported, and the consequences could be very serious. **Cheating on a test or assignment is not worth the risk!**

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
