Course Requirements and Instructional Methods

Everything in the syllabus, including the grade breakdown and calendar, is subject to change in accordance with class needs. Students will be notified of course outline changes during a regularly scheduled class.

Let us inspire one another to think, discuss, and write about these questions. Remember that we are here to learn and to help one another learn. As an instructor, I will provide the class and individuals with guidance, but I, too, am here to learn from everyone else. I expect you to participate in the teaching and learning; that is, let us remember that we are all teachers and students.

Also, controversy and language deemed “profane” are likely to arise during lectures and discussions. Let us remember that we are all adults—we should be able to handle strong (“adult”) language and politically incorrect arguments. (Note: I will very likely play “the Devil’s advocate” from time to time and may seem antagonistic or overly cynical—keep in mind that this is an instructional tactic.) The class is a “free speech” zone; it is everyone’s responsibility to encourage free speech and to challenge “hate speech.” Above all, let us not forget our education, our civility.

– In-Class Work –

Students will be required to:
Imperial Valley College Course Syllabus

+ ask/answer questions.
  + take notes.
    + do small-group class work (this includes peer editing).
      + give individual and group presentations.
    + participate in debates/dialogues
  + write in-class compositions.
  + take quizzes on readings, grammar/punctuation/mechanics, and MLA rules.

+ reading all the readings that are assigned.
  + doing all homework assignments.
    + doing research.
      + doing individualized assignments, issued by instructor as needed.
    + composing rough drafts of every composition assignment.
    + practicing editing skills and editing rough drafts.
  + practicing note-taking, text annotation, and grammar skills.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### Attendance

*Attendance is important because in-class assignments (tasks), quizzes, essay compositions, and other reading and writing activities will all be performed in class and may not be able to be made up for credit.*

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

**Classroom Etiquette**

- Classroom Expectations and Etiquette –

Maintaining a positive, conducive, and intellectually-nurturing classroom atmosphere is important. As your instructor, I have the following expectations of students:

1. Respect everyone’s right to her/his opinion/argument; be civil, respectful, and courteous
2. Give others a chance to express themselves; don’t monopolize the discussion
3. Consider the background, experience in shaping the world views of other people
4. Try to find some value in other people’s opinions/arguments
5. Counter the argument; don’t attack the person.

*Also...*

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

**Online Netiquette**

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others’ opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

**Academic Honesty**

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.
Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
