I will judge your work and we will discuss your speeches in class. I will not negatively compare you to someone else. I will judge you on your own work. My emphasis is on the positive and to be growth-oriented.

**Participation**

Students will come to class prepared to engage the topic and respond to class discussion questions or assignments.

Students will respect the instructor and other student’s opinions. Participation is not simply agreeing or disagreeing with a premise. It is explaining, defining, and sharing experiences, clarifying terms or perspectives.

Do not just tell us you agree but explain your reasoning or experiences. Do not feel intimidated by your fellow Students. Everyone has something of significance to share! Your experiences and perception are an integral part of who you are. **Texting in class will cut into your participation points!**

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. **WASC has adopted a similar requirement.**

**Course Grading Based on Course Objectives**

**Evaluation Procedures**

Grading is determined on the following criteria:

- Discussion/Participation/homework typed assignments/Journals/Essays/ 30%
- Speeches/ 40%
- Exams/Final 30%
(Not taking the Final exam can cause you to fail the class!) The points you EARN determine grades. The total points possible will be determined as the semester concludes. Usually, the amount ranges between 200-250 points, depending on the size of the class. All grades will reflect level of scholarship, initiative, attitude, cooperation and individual improvement demonstrated throughout the course. Your homework assignments are to be typed and doubled spaced.

The following percentages illustrate the breakdown.
100-91% = A Superior
90-81% = B Above average
80-71% = C Average
70-65% = D Below Average
64% or > = F

**Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class.
- See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- Attendance is crucial because class activities and speeches involve participation with your classmates. Missed class is treated as an absence. Students have a right to a positive learning experience and therefore students that are disruptive will be asked to leave. If you plan on dropping the class do so before the due date. If you miss class, it is **Your** responsibility of the student to get caught up. You must be on time. If you are late you will not be permitted to take a test/quiz if given. Coming in late could also deduct points from your participation.
- Absolutely, no one walks in when a person is giving a speech or I am lecturing! Five points could be deducted from your speech!
- More than two absences and you are dropped from class and/or your final grade could be downgraded! If you have a serious situation that requires an additional absence, then the instructor must approve it. The approval will be judged case by case and will be at the instructor’s discretion.
- The class will be interactive, but keep in mind that we can only focus on one speaker at a time, so when you are not speaking, please be courteous and respectful. Do not conduct side conversations that disrupt the class or work on other issues than those involving this class. This will be noted and will have a negative impact on your participation grade. You may be asked to leave!
Note: It is imperative that you attend each class and be fully prepared when you come to class. Do not leave early. Make your appointments around your class. Not your class around your appointments.

**IT IS YOUR RESPONSIBILITY TO DROP THIS COURSE!**

**Class Work**

- Students are expected to work effectively in diverse groups and groups to achieve tasks. They must collaborate and function well in team settings as both leaders and followers. They should respect human diversity and behave in a committed, tolerant, respectful, and professional manner toward colleagues and peers. Skills developed through learning team collaboration include communication (both written and oral), critical thinking, interpersonal skills, active listening, organization/time management, and conflict resolution. There will be homework assignments. All homework assignments are to be typed, doubled spaced and with font twelve. Some assignment will require research.

- **Do not use Wikipedia as your source!**

**Classroom Etiquette**

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.
- Leaving class early or arriving late can count as a partial absence. You could be dropped from the class if you miss more than two classes. Missing a speech assignment can count as a double absence.
- Scheduled tests will usually be given at the beginning of each class – tests will NOT be given to students who arrive late for class.
- **Discipline Policy**
- “Imperial Valley College is maintained for the purpose of providing students in the community with programs of instruction in higher education. The College is concerned with the fostering of knowledge, the search for truth and the dissemination of ideas.
• Students shall assume an obligation to conduct themselves in a manner compatible with the college’s function as an educational institution. An instructor MAY REMOVE a student for the day of removal and the next class meeting. Such action must be immediately reported to the Dean of Student Development and Campus Events.
• During the period of removal, the student MAY NOT return without the consent of the instructor.

Online Netiquette

• What is netiquette?
• Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Netiquette is a set of rules for behaving properly online.
• Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others’ opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the importance of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

• Plagiarism is taking and presenting as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.
• Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an
examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and
certification completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
