

FIRE 220 DRIVER OPERATOR DRIVING	
Location	1078 Dogwood Heber Ca. 92249
Day/Time	40 hour course
Required Texts	Fire Apparatus Driver/Operator 1A Student Supplement, 2008, California Commercial Driver's Handbook, 2008 Edition IFSTA Pumping Apparatus Driver/Operator Handbook, Second Ed
Instructor:	Alfredo Estrada
Units:	Three (3) units
Prerequisites:	Firefighter Class C Endorsement or Higher

CFSTES Written Examination will be administered at the end of the last day of class. All paperwork will be mailed to the State Fire Marshal's Office for review and certification.

Student Learning Outcomes:

1. Students will demonstrate their awareness of the responsibilities of a fire apparatus engineer.
2. Students will demonstrate their ability to identify common laws and regulations concerning operating fire apparatus, including pre-trip inspections, driving, emergency driving, apparatus component identification and general maintenance.
3. Students will demonstrate inspection, basic maintenance, documentation and trouble shooting for fire apparatus.
4. Students will successfully complete "Rodeo Course" similar to the required course for the DMV.
5. In order to acquire CFSTES certification, students will be required to pass the CFSTES written examination and the manipulative "Rodeo Course" to receive the state certification.

BEHAVIORAL OBJECTIVE

Daily quizzes will be given covering information related to the CFSTES written examination. Minimum passing score for the daily quizzes is 80% according to the

Driver Operator Instructor Guide. Two quizzes (True/False) are provided through the State Fire Marshal Curriculum and two (Fill In) are instructor prepared quizzes. Retakes will be considered if necessary.

Out-of-Class Assignment:

Describe your agency’s daily/weekly/monthly/annual maintenance inspections for fire apparatus. Provide documents if available. In class exercise is to briefly describe your agency’s maintenance program.

Alley Dock Exercise 10%	10		
Total Points	625		

ADD / WITHDRAWAL CLASS POLICY

It is the student’s responsibility to drop all classes in which he/she is no longer participating. (Online, Hybrid and Campus Classes) In the event you elect to no longer participate in this course, you are required to withdrawal from the course before the withdrawal/drop deadline. Students who remain enrolled in a class beyond the published withdrawal deadline, as stated in the Class Schedule, will receive an evaluative letter grade in this class.

It is the instructor’s discretion (choice) to withdraw a student after the add/drop deadline due to excessive absences. For our classes this is after the first week of an eight (8) week course. You will not be allowed to be reinstated in this course. Students have the responsibility to make sure to complete the first week’s assignment. Contact the instructor with any questions via email.

ATTENDANCE

The final grade in this class is affected by active participation, including discussions, quizzes, learning modules, etc. (online) or actual attendance (Hybrid and Campus Classes)

ATTENDANCE REQUIREMENTS (Hybrid and Campus Classes)

Enrollment in college assumes maturity, seriousness of purpose and self-discipline. Every student is expected to attend all class meetings, to arrive on time, and to stay for the entire class. we recognize that absences occur as a result of circumstances beyond your control. They also occur because you do not accept the responsibility or the commitment to your education.

CSFM classes requirement 90% attendance, which means for a 40 hour class you may not miss more than 4 hours. This rule is enforced and no exceptions are allowed.
