cayam3@yahoo.com

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. DSPS is located in the 2100 Building and may be reached at (760)355-6312 or (760)355-4174 (TDD)

Silence all electronic device. No music players allowed in class.

Course Objectives:

By the completion of the course, each student will:

1. Be able to describe the historical and cultural influences on love, marriage, and the family.
2. Be able to recognize the cultural myths that influence the understanding of marriage and the family as well as the hidden realities that distort what goes on inside families.
3. Be able to compare and contrast traditional and changing sex roles in terms of their impact on marital and familial behavior, and demonstrate awareness of the process of sex role learning.
4. Be able to describe the singles subculture including living together, and the process of pairing and the marriage market.
5. Be able to analyze verbal and nonverbal communication and conflict resolution within marriage.
6. Be able to identify the causes and processes of marital separation and divorce as well as children's response to divorce.
7. Be able to define single parenthood, remarriage and the blended family, and the divorced subculture.
8. Be able to recognize the current topics and issues regarding marriage and the family.
