

BUS 126 – Business and the Legal Environment
Spring 2014 Code: 20640

“The only legal certainty is the certainty of legal change. What makes law, it’s study and practice, qualitatively unlike most other things that human beings do is that we can never be sure of anything.”

-Justice E. Peters, Conn. Supreme
Court

“The life of the law has not been logic: it has been
experience.”

-Oliver Wendell Holmes, Jr.

“Law is not justice and a trial is not a scientific inquiry into truth. A trial is the resolution of a dispute.”

-Edison Haines

Note on Homework: Homework will consist of student analysis of legal case problems. Homework must be turned in on the date assigned to receive full credit. Homework may be turned in one class period late for up to one-half credit. No homework will be accepted that is more than one class period late.

Attendance Policy:

A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See IVC General Catalog for details.

Regular attendance in all classes is expected of all students. If a student is absent from class, it is the student's responsibility to obtain class notes for that day's lecture. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.

Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.

Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.

Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

Plagiarism is to take and present as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and

preparing written materials. If you do not understand how to correctly 'cite a source', you must ask for help.

Anyone caught cheating will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment ;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service
