Basic Course Information

Semester	Fall 2014	Instructor Name	Liisa Mendoza
Course Title & #	ASL 200 - American Sign	Email	liisa.mendoza@imperial.edu
	Language 3		
CRN#	10512	Webpage (optional)	
Room	1602	Office	314 D
Class Dates	8/18/14 – 12/10/14 (includes	Office Hours	MW 10:00 – 11:30 am
	finals)		TR 9:30 – 10:00 am
Class Days	MW	Office Phone #	760-355-6120
Class Times	11:50 am – 1:15 pm	Office contact if	Phone or email
		student will be out	
Units	3	or emergency	

Course Description

Continues development of American Sign Language conversational skills. Techniques of facial expression, body movement, and specialization as it relates to American Sign Language and Deaf Culture will be studied.(CSU,UC)

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

- 1. Represent visual information using correct ASL structures. [ILO1, ILO3]
- 2. Identify the correct facial grammar for a given description. [ILO1,ILO2]
- 3. Distinguish between different types of spatial structures essential to ASL. [ILO1,ILO2]

Course Objectives

Upon satisfactory completion of the course, students will be able to:

- 1. Demonstrate how to receptively understand fingerspelled words of up to six letters and common loan signs.
- 2. Demonstrate knowledge of approximately 25-30 signs per week.
- 3. Demonstrate appropriate body movement (role shifting).
- 4. Evaluate ASL stories and conversations.
- 5. Assess the use of appropriate cultural behaviors as applied to ASL and the Deaf community.
- 6. Compose narratives which demonstrate a mastery of targeted lexicon.
- 7. Acquire expressive and receptive skills in ASL.
- 8. Learn Deaf Culture's use of creative poetry, songs, cheers, handshape stories, storytelling, and legends.

Textbooks & Other Resources or Links

Required texts: Signing Naturally, Level 2. (Text and DVD) Lentz, E.M., Mikos, K. & C. Smith. ISBN 0-915035-16-2.

Recommended text: The American Sign Language Handshape Dictionary. Tennant, R. and M. Brown. ISBN 978-1-56368-444-9.

Course Requirements and Instructional Methods

Teaching Strategy:

The instructor will generally be teaching with a voice off approach. This will increase your receptive comprehension. You will be participating in a variety of class exercises designed to increase both your receptive and expressive skills. Please arrive to class on time, ready to start signing. We will be introducing new vocabulary weekly, and then applying it through a variety of exercises. **You MUST practice outside of class.** We will also be learning new grammatical structures weekly as we go through the chapters of the book. You will be asked to prepare some ASL assignments outside of class; you will be given clear instructions to follow to produce successful assignments. You may have to sign individually to your instructor, or in small groups, or in front of the class. We will have presentations this semester, as well as signing labs, small group work, and larger group work.

Course Grading Based on Course Objectives

Grading will be based on a standard distribution (i.e., 90-100% = A, 80-89.9% = B). There will be 1,000 points possible during the course. No extra credit will be given.

Participation 300 (participation, no voice, following class rules, Deaf interaction)

Homework 200 (includes written and signed homework)

Exams & quizzes 350 (includes written and signed, individual and group)

Presentation 50 (1 @ 50 points)

Deaf event reports 50 (2 events @ 25 points each)

Meeting SLOs 50 (teacher assessment of overall master of SLOs)

TOTAL 1,000

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of
 an online class will be dropped by the instructor as of the first official meeting of that class. Should
 readmission be desired, the student's status will be the same as that of any other student who desires to add
 a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog
 for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- <u>Electronic Devices:</u> Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- <u>Food and Drink</u> are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.

- <u>Disruptive Students:</u> Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- <u>Children in the classroom:</u> Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

- <u>Plagiarism</u> is to take and present as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly 'cite a source', you must ask for help.
- <u>Cheating</u> is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service

Additional Help

- <u>Blackboard</u> support center: <u>http://bbcrm.edusupportcenter.com/ics/support/default.asp?deptID=8543</u>
- <u>Library Services:</u> There is more to our library than just books. You have access to tutors in the learning center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313 if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee. We now also have a fulltime mental health counselor. For information see http://www.imperial.edu/students/students/student-health-center/. The IVC Student Health Center is located in the Health Science building in Room 2109, telephone 760-355-6310.

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities please refer to the IVC General Catalog available online at http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762

Information Literacy

Imperial Valley College is dedicated to help students skillfully discover, evaluate, and use information from all sources. Students can access tutorials at http://www.imperial.edu/courses-and-programs/divisions/arts-and-letters/library-department/info-lit-tutorials/
