Written Assignments

<u>Out of Class Assignments</u>: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time <u>and</u> two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

How much you learn in the course, as well as your final grade, depends on the effort you put into the readings and in class assignments. Tests and quizzes may be given on Blackboard or in class at instructor's discretion. No makeup tests, quizzes or in class assignments will be given, unless there are extenuating circumstances at which point the student will provide verifiable documentation. Five assignments (30 pts each), four quizzes (15 pts each) and four tests (100 pts each) plus the final (200 points) will be given. 30 points for class participation to include class attendance. There are a total of 840 points available. Grades will be assigned on the basis of the following weights:

POSSIBLE	POINTS	FINAL GRADES
Participation Quiz Assignments Tests Final <u></u> Total	30 points 60 points 150 points 400 points 200 points 840 points	90 -100 % = A 80 - 89 % = B 70 - 79% = C 60 - 69 % = D Less than 60% = F

Class assignments may be IN CLASS ASSIGNMENTS or take home and there are no make ups for missed class work. Students who are not present for preparation and presentation of the assignment will receive ¹/₂ credit of the possible points upon completion of the assignment

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped. Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. Attendance is a portion of your grade under Participation noted above. If not dropped for excessive absences, 3 points will be deducted for each missed day from class from your participation score and 2 points for arriving late to class or leaving early.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
- Students arriving late or leaving early will lose participation points.
- Disruptive students will be asked to leave the class and may be referred to IVC Campus Disciplinary Officer before returning to class.
