Course Requirements and Instructional Methods

1. You are expected to have your books by the 2nd week of instruction. Please erase answers in used books by the second week. Homework will be assigned in the book and handouts. If you do not erase old answers, you will get a 0 on assignments. Late assignments will NOT be accepted. This means that you can't wait until the end of the term to try to complete your work.

2. Tests and Quizzes: Each week you can expect to have one or two quizzes, usually at the beginning of class. You will have a test at the end of each unit. If you miss a test, you have ONE WEEK to make it up. If you don't make it up, you will receive a 0. I will leave the guizzes and tests at the tutoring center in the library. It is your responsibility to make an appointment and take the quiz. If you don't take the quiz within a week, your grade will be **zero**.

3. Reading Faster: Reading Faster is an activity that you will do on your own as homework during the term. Your progress charts will be due three (3) times during the semester. You can find a copy of the Reading Faster chart on Blackboard under RESOURCES. Please turn in ALL your charts each time. This allows me to see your progress over the semester. You will always be reminded of due dates for Reading Faster. If you do not turn in your progress charts on a due date, you will receive a 0.

4. Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives			
TASK	PERCENTAGE OF GRADE		
1. Reading Skills Tests	20%		
2. Reading Faster Charts	10%		
3. Thinking in English/ Vocabulary	20%		
4. Extensive Reading Book Quizzes	20%		
5. Homework	20%		
6. Final Exam	10%		
7.	100%		

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused ٠ absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

• Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

• Please do not schedule appointments with the counselors during class time.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- <u>Plagiarism</u> is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- <u>Cheating</u> is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the <u>General Catalog</u> for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test
