### **COURSE TEXTS/MATERIALS**

## The Real World: An Introduction to Sociology (Fifth Edition) 5th Edition

by Kerry Ferris (Author), Jill Stein (Author)

ISBN-13: 978-0393251036 ISBN-10: 0393251039

**Stapler**: Yes, you read correctly! Invest in a small stapler. Your work won't be accepted unless the pages are stapled together.

<sup>\*\*</sup>Other reading materials will be posted on Canvas and/or distributed during class.

### ESSENTIAL REQUIREMENTS FOR THIS COURSE

- Curiosity about social life and an open mind.
- Participate to your fullest ability and in diverse ways.
- Work hard and strive to improve.
- Be respectful of others, yourself, and the professor.

### WHAT YOU SHOULD EXPECT FROM ME

- Understand your needs as students.
- Be available, on time, and motivated to help you learn.
- Create clear and engaging class sessions.
- Grade your work with respect and with the highest academic standards.

I hope that by the end of the term, you will have learned to ask questions about the social world. It is the asking of questions, rather than the finding of answers, that is the most joyous part of the sociologist's job.

### HOW THIS COURSE IS ORGANIZED

I believe that students learn best when presented with a variety of teaching strategies. The class will consist of lectures given by me. As much as is possible given the constraints of time and room setup, classroom activities will be organized with a hands-on approach, asking students to engage in some of the day-to-day activities of sociologists (including reading, writing, discussion, analysis, and empirical research).

Students will be expected to read and *digest* course materials; the reading load will be manageable and interesting. Discussions, exercises and demonstrations, debates, small group work, paired work, in-class writing assignments, lectures, and reading will be used to explore the major course themes

### **COURSE GRADING BASED**

Grading Based	Total Points	<b>Grading Scale</b>
Meet with Professor!	20	A 500-450 points
Participation	100	B 449-400points
Quizzes (6) @ 20	120	C 399-350points
Written Assignments (4)	160	D 349-300 points
Final Presentation	100	F 299 and below
<b>Total Possible Points</b>	500	

**Meet with Professor (20 points).** Getting to know you is the best part of my job. I would like to learn a little bit about you. Therefore, your first "assignment" of the semester is to meet with me in my office, which is located in the 1700 building office number 1715. You will have until the end of the third week of the semester to complete this. It is worth 20 points! So plan accordingly. It should take anywhere from 5 to 10 minutes. See office hours at the beginning of the syllabus. Nevertheless, I always enjoy visits and conversations. Please feel free to chat with me before or after class.

**PARTICIPATION**. Research shows that people learn better when they are actively involved in the learning process. Participation is not just showing up to class. So, **what counts towards participation?** 

Engaging in in-class activities and lectures. For example, asking questions, answering questions, providing feedback, sharing experiences, and of course paying attention in class. While introductory courses often utilize a textbook to guide students through the course, for this course the lectures, in-class activities, and short in-class assignments will provide the framework for the course. You should plan to attend all classes in order to receive participation points. There are no make up for in-class activities.

Think of it this way: You are starting the semester with a solid "A" in participation. For each late arrival, talking out of turn, excessive absences (more than 3), disturbing the class, etc., that "A" gets eroded. Do not plan to use time in class to read the newspaper, make your grocery lists, plan your weekend, do homework for other classes, write letters, sleep, flirt, text message friends, update your profile, snapchatting, or catch up with friends. Mentally "checking out" of class in this way will make it difficult to do well in the course. In addition, I will find it *highly annoying*. I will sanction such behavior by taking points off your participation grade. If you have a pressing need to do these things during scheduled class time, do yourself, your classmates and me a favor: do not come to class.

You are expected to read before coming to class. In order to be an active participant in the classroom, you must come to lecture and section prepared—even if being prepared means simply having questions about what was utterly confusing to you in the readings! I understand that outside responsibilities and the need to "have a life" often get in the way of finishing your reading.

I am here to help you. If you have outside responsibilities or other potential barriers to completing the work for this course, please come talk to me as soon as possible. Do not wait until it is too late to get help.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

**PAPERS**. You will write 4 short papers. You will receive an assignment guide and plenty of help so that you write an excellent paper. Please note the following due dates for the papers:

Paper 1 (Doing Nothing) @ 25 points due Wednesday September 6, 2017.

Paper 2 (Culture) @ 35 points due Wednesday September 17, 2017.

Paper 3 (Social Class) @ 45 points due Wednesday October 18, 2017.

Paper 4 (Gender Paper) @ 55 points due Wednesday November 15, 2017.

Note: Each student's capacity to read, write, and take notes at a college level is assumed. In addition your written work will be graded not only for mastery of course materials, but for clarity, structure, and presentation (e.g., syntax, style and precision of expression, spelling, punctuation, etc.). The Writing Center has been established especially to assist students with writing projects. Contact them early for help with your assignment.

**QUIZZES 6 @ 20 Points Each:** Short scheduled quizzes will ensure that you are on top of your readings and pay attention to class discussion. They will be short and will reward those students who have read and attend class for that day. <u>There are no make-ups</u>, if you are late you **will not** be allow to take the quiz. If you have a <u>valid excuse</u>, I *may* consider scheduling a make up. Scantron and pencil will be required.

**FINAL GROUP PROJECT:** Your final project will consist of analyzing a social problem with a group of 4-5 students. The purpose of the presentation will be to educate your fellow students on the social problem using a sociological perspective. Don't stress! You will receive guidance and support throughout the course.

**Extra Credit.** You will have opportunities to earn extra credit throughout the course. I will announce extra credit opportunities during class and if you are absence on the day I make the extra credit announcement do not ask me, as I will not repeat it for you.

Note: Each student's capacity to read, write, and take notes at a college level is assumed. In addition your written work will be graded not only for mastery of course materials, but for clarity, structure, and presentation (e.g., syntax, style and precision of expression, spelling, punctuation, etc.). The Writing Center has been established especially to assist students with writing projects. Contact them early for help with your assignment.

## **Classroom Etiquette and Student's Responsibilities**

**Attendance.** I will drop a student who fails to attend the first meeting of a class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See <u>General Catalog</u> for details. Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

**Late work will not be accepted.** Exceptions will be made only in cases of severe and documented hardship. You must contact me *as soon as* you realize you will not be able to get an assignment in on time. I will review the legitimacy of your petition and decide whether to accept the late work.

**Late arrivals** to class are strongly discouraged. If a late arrival is unavoidable, please enter as quietly and as unobtrusively as you can so that you do not disturb your fellow classmates. If it starts to become a habit (e.g., more than 3 late arrivals), you will lose points off your participation grade. If you are late on an exam/quiz day, you will not be allowed or be given extra time to finish or take the exam.

**"R-E-S-P-E-C-T**, find out what it means to me." Classroom discussion should remain civil. We are here to learn from each other. It is difficult to learn from someone who is yelling at you, rolling her/his eyes, grumbling under his/her breath, ignoring you, interrupting you, or engaging in other dismissive behaviors. I do not expect that any of us will be tempted to behave so rudely but it doesn't hurt to spell out that these things are out-of-bounds in the classroom.

**Electronic Devices**: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor. You will lose participation points if I need to ask you to put away your phone more than twice.

**Food and Drinks** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs.

**Disruptive Students**: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the <u>General Catalog</u>.

**Children in the classroom**: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

**Academic honesty** in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service

The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
