

Basic Course Information

Semester	Winter 2018	Instructor Name	Mr. Voldman
Course Title & #	Math 091(Intermediate Algebra)	Email	alex.voldman@imperial.edu
CRN #	15046	Webpage (optional)	
Room	2725	Office	Room 2764
Class Dates	01/06/15-02/06/15	Office Hours	
Class Days	MTWTHF	Office Phone #	760-355-6299
Class Times	7:30-11:15	Office contact if student will be out or emergency	Division Secretary 760-355-6155, 760-355-6201
Units	5		

Course Description

This course is a further study of the concepts of algebra. Topics covered include linear and quadratic equations, relations, functions and graphs, systems of equations, logarithmic and exponential functions, conic sections, and sequences and series.

Student Learning Outcomes

1. Solve quadratic equations by factoring, completing the square, and quadratic formula. (ILO2)
2. Solve equations involving radicals. (ILO2)
3. Recognize and graph equations of conic sections. (ILO2)
4. Perform operations on functions algebraically. (ILO2)
5. Solve an application involving exponential functions. (ILO2, ILO5)

Course Objectives

1. Demonstrate an understanding of radical expressions and equations.
2. Demonstrate an ability to solve applications, inequalities and absolute value inequalities.
3. Demonstrate and understanding of quadratic functions, including graphing and equations.
4. Demonstrate and understanding of functions and relations, including one to one functions.
5. Demonstrate and understanding of logarithmic and exponential functions and their graphs.
6. Classify and graph ellipses, parabolas, and hyperbolas.
7. Demonstrate an understanding of sequences and series and their operations.

Course Requirements and Instructional Methods

Homework

Online Assignments: Go to www.pearson.com/mylab.

Exams

Purpose: To review the material introduced in class and to evaluate your understanding of the material covered in the course. There will be **no make-up exams given**. Zeros will be given for all missed tests.

Final Exam (comprehensive)

Office Hours

Your professor urges you to avail yourself of his/hers individual instruction during office hours. Do not wait until you are in trouble. If you have been absent or late to class, please read the lesson you missed and come to his/her office prepared with questions.

Canvas

This class will use Canvas for Announcements and Activities. Students will be expected to check Canvas regularly.

Course Grading Based on Course Objectives

Grade Distribution

Homework	Classwork	Exams	Final
120 points	170 points	400 points	100 points

Homework	10%
Classwork	5%
Exams	60%
Final	25%

Grading Scale:

90-100%	A	80-89%	B	70-79%	C	60-69%	D	0-59%	F
---------	---	--------	---	--------	---	--------	---	-------	---

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. If you are 10 minutes late you will be marked absent. Do not make doctor, counseling, or any appointments during class time. Leaving during lecture will be considered an unexcused absence. If you have to leave anytime during class, other than established break times, you must inform your instructor.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog. Disruptive and inconsiderate behavior will not be tolerated! Absolutely no talking during lecture unless you have questions! Respect your classmates and your instructor.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

- Plagiarism is to take and present as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly 'cite a source', you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism;(b) copying or attempting to copy from others during an examination or on an assignment;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service

Additional Help

- Me: Office Hours; just walk-in and get help.
- Study Guides: The bookstore has textbooks for sale
- Learning Labs: There are several 'labs' on campus to assist you through the use of computers, tutors, or a combination. Please consult your college map for the Math Lab, Reading & Writing Lab, and Learning Services (library). Please speak to the instructor about labs unique to your specific program
- Library Services: There is more to our library than just books. You have access to tutors in the learning center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313 if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid StudentHealth Fee. We now also have a fulltime mental health counselor. For information see <http://www.imperial.edu/students/student->

[health-center/](#). The IVC Student Health Center is located in the Health Science building in Room 2109, telephone 760-355-6310.

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities please refer to the IVC General Catalog available online at http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762

Information Literacy

Imperial Valley College is dedicated to help students skillfully discover, evaluate, and use information from all sources. Students can access tutorials at <http://www.imperial.edu/courses-and-programs/divisions/arts-and-letters/library-department/info-lit-tutorials/>

Anticipated Class Schedule / Calendar

The instructor will provide a tentative, provisional overview of the reading, assignments, tests, or other activity for the duration of the course. The faculty may find a table format useful for this purpose.

Date or Week	Activity, and/or Assignment	Material, and/or Topic
Week 1 1/2/18 1/3/18 1/4/18 1/5/18	Chapter 14, Sections 14.1-14.4 Chapter 15, Sections 15.1-15.2 Chapter 15, Sections 15.3-15.4 Review & Exam I	General Functions Inequalities Inequalities
Week 2 1/8/18 1/9/18 1/10/18 1/11/18 1/12/18	Chapter 16, Sections 16.1-16.3 Chapter 16, Sections 16.4-16.5 Chapter 16, Section 16.6 Chapter 16, Section 16.7 Review & Exam II	Radicals Radicals Radical equations Complex numbers
Week 3 1/15/18 1/16/18 1/17/18 1/18/18 1/19/18	Holiday Chapter 17, Sections 17.1-17.2 Chapter 17, Sections 17.2-17.3 Chapter 17, Sections 17.3-17.4 Review & Exam III	Quadratic equations Quadratic functions Nonlinear equations
Week 4 1/22/18 1/23/18 1/23/18 1/25/18 1/26/18	Chapter 18, Sections 18.1-18.2 Chapter 18, Sections 18.2-18.3 Chapter 18, Sections 18.3-18.4 Chapter 18, Sections 18.4-18.5 Review & Exam IV	Exponential functions Logarithmic functions Exponential equations Applications
Week 5 1/29/18 1/30/18 1/31/18 2/1/18 2/2/18	Chapter 19, Sections 19.1-19.2 Chapter 19, Sections 19.3-19.5 Chapter 20, Sections 20.1-20.3 Final Review Final	Conics Conics Sequences

Note: I reserve the right to change this schedule with notification to students

To register for Math 91 Intermediate Algebra Winter 2018:

1. Go to www.pearson.com/mylab.
2. Under Register, select **Student**.
3. Confirm you have the information needed, then select **OK! Register now**.
4. Enter your instructor's course ID: [voldman51234](#), and **Continue**.
5. Enter your existing Pearson account **username** and **password** to **Sign In**.
You have an account if you have ever used a MyLab or Mastering product. If you don't have an account, select **Create** and complete the required fields.
6. Select an access option.

Enter the access code that came with your textbook or that you purchased separately from the bookstore.

If available for your course,

- Buy access using a credit card or PayPal.
- Get temporary access.

7. From the You're Done! page, select **Go To My Courses**.
8. On the My Courses page, select the course name **Math 91 Intermediate Algebra**

Winter 2018 to start your work.

To sign in later:

1. Go to www.pearson.com/mylab.
2. Select **Sign In**.
3. Enter your Pearson account **username** and **password**, and **Sign In**.
4. Select the course name **Math 91 Intermediate Algebra Winter 2018** to start your work.

To upgrade temporary access to full access:

1. Go to www.pearson.com/mylab.
 2. Select **Sign In**.
 3. Enter your Pearson account **username** and **password**, and **Sign In**.
 4. Select **Upgrade access** for **Math 91 Intermediate Algebra Winter 2018**.
5. Enter an access code or buy access with a credit card or PayPal.
