### Textbooks & Other Resources or Links

Textbook: Longman Academic Reading Series 4 Student book with MyEnglishLab

Longman Dictionary of Contemporary American English

Novels:

Barall, I. The Long Road to Luca

Padillo, Lucio. Memoirs of a Lechuguero (We will provide you with a copy of this book!)

### Course Requirements and Instructional Methods

The class will consist of lectures, group, pair and individual work. You are expected to participate in online and in class discussions, presentations, and reading circles.

You will be asked to read two novels. For each novel, you have to keep a reading log, take quizzes in Canvas, and do a project.

You will also be asked to do independent reading. You will read three books of your choice using some specific guidelines. You have to keep reading logs and write a report for each book.

If I suspect that you didn't read a book, I might arrange an impromptu book conference where you will be asked questions about the story.

You will be taking quizzes on Canvas. The quizzes have due dates. Late submissions will get a zero. In addition, there will be announced and unannounced quizzes in classes. For some of these quizzes, you **MUST** bring your own dictionary. I will not allow students to share dictionaries. If you don't bring your dictionary, you will automatically get a zero in the quiz.

You must check Canvas every week to find out what the homework is and to read announcements. I recommend that you check your IVC students email on a daily basis.

You will be assigned a lot of reading tasks/exercises to be done from home. You are expected to complete all the activities in a timely manner.

- Students who show up late and/or leave early will be marked tardy or late. This might affect their attendance/participation points.
- Talk to me in advance (or email me) if you have a valid excuse to leave early or miss class.

**Study Skills Center** (located in the library)/ (760) 355-6384 / [studyskillscenter@imperial.edu](mailto:studyskillscenter@imperial.edu)

**Important note:** A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

### Classroom Etiquette

This class aims to help you develop your English skills; therefore, you are expected to communicate in English only. Please refrain from speaking in your native language in class.

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

### Online Netiquette

Whenever you communicate with me via email, follow the rules described below. I usually reply to emails within 24 hours. However, you need to be aware that sometimes it may take me up to 48 hours to reply especially if you email me on weekends. Your emails **MUST** be written in English. I will not reply to any emails written in Spanish or any other language other than English.

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

### Academic Honesty

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action.

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

## Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
