### Course Requirements and Instructional Methods

This class is focused on writing essays and reading. Information in the readings (and sometimes video lectures and interviews) serve as support for the essays. Largely what separates college writing from other types of writing is incorporating trustworthy information as core support of a thesis.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. This means to expect on average eight hours of homework per week for this 4-unit course.

946 - 1080 = C

811 - 945 = D

0 - 810 = F

• **Deadlines and late work:** Be aware of deadlines. A **short** grace period of up to a few days for essays and some other assignments can be requested if I am contacted in advance of the due date with a reasonable explanation for the request. Expect ANY late work to be docked points. Don't expect work completed more than a few days late to be accepted. Keep in mind you can start almost any assignment much earlier than the due date.

• Note that **plagiarism** results in a **zero** for any assignment and could lead to discipline by the college which could not only mean **dismissal** from the class but also **permanent expulsion** from IVC. A zero especially on a major assignment also usually makes it **impossible** to pass the course. Yes, it's easy to cut and paste text from the internet. You should be very aware that due to technology, **detecting plagiarism is even easier for your instructors.** We don't have to even look. The system alerts us. If there is any plagiarism, I give you a 100% guarantee that this technology shall find it, whether it's from text on any page on the internet or another student's paper. **Of course (!)** there are NO do-overs for a plagiarized assignment! Yes, most students would never plagiarize. But that person who might try should know that being caught is a guarantee and major consequences will definitely be suffered.

(Note: If you are retaking this course, avoid self-plagiarism; that is, you will need to within reason hand in a substantially different essay even though it may be on the same topic as before. Any essay that is substantially the same as the student's own previous work will be graded zero.)

• **There are no “do-overs” for any reason on any assignment.** Everyone gets one shot to complete each assignment.

• Also note that the instructor reserves the right to assign a grade of zero to any assignments if the quality of writing is not similar to the quality of writing shown in the final exam or other assignments.

## Advice on Grades • Success in Class

They say common sense isn't so common anymore, so here it goes! Absolutely do your utmost to **COMPLETE every assignment**. Hand in ALL the essays. Never consider doing otherwise. And do your best to complete ALL of the other assignments as (1) those assignments **prepare** you to succeed in the weightier assignments and (2) all those little points that may not seem so much at first definitely add up to a lot of points by the semester's end!

## Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Furthermore, if two consecutive essays are not handed in on a timely basis, that student will be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
- **What does it mean to “attend” an online class?**

Attendance is critical to student success and for IVC to use federal aid funds. Acceptable indications of attendance are:

- Student submission of an academic assignment
- Student submission of an exam
- Student participation in an instructor-led Zoom conference
- Documented student interaction with class postings, such as an interactive tutorial or computer-assisted instruction via modules
- A posting by the student showing the student's participation in an assignment created by the instructor

- A posting by the student in a discussion forum showing the student's participation in an online discussion about academic matters
- An email from the student or other documentation showing that the student has initiated contact with a faculty member to ask a question about an academic subject studied in the course.

**Logging onto Canvas alone is NOT adequate to demonstrate academic attendance by the student.**

### Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off (airplane mode is great!) and out of reach and view during class unless otherwise directed by the instructor. If you are seriously addicted to cellphone use, please seek help and don't distract your classmates from meeting their educational goals. Don't expect to be allowed to remain in the classroom if you violate this policy.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

### How do I act differently if I have an on-campus class during COVID?

- DO NOT COME TO CAMPUS OR ATTEND AN OFF-CAMPUS CLASS IF YOU FEEL SICK, HAVE A FEVER, OR HAVE A COUGH**
  - Even if your symptoms are mild, stay home.
  - Email your instructor to explain why you are missing class.
  - [If you are sick with COVID-19 or think you might have COVID-19](#), provides CDC guidance.
  - If you have tested positive for COVID-19, you must self-quarantine for 14 days and then be without symptoms for at least 72 hours. Clearance is required prior to returning to any face-to-face interaction. It is recommended that you undergo a final COVID-19 test to confirm that you are no longer infected.
  - If you are exposed through direct contact with a person known to be COVID-19 positive, then you must submit negative COVID-19 test results prior to returning to any face-to-face interaction.
- ARRIVE AT CAMPUS EARLY (at least 15 minutes early is advised).**
  - All people entering the IVC campus will need to pass a screening process, which will occur at the gates as your drive onto campus. You will need to take a short questionnaire and get your temperature taken (the screening is completely touch-free and will take place while you remain in your car).
- BRING A MASK TO CLASS (and always wear it).**
  - Be sure that your mask covers both your nose and mouth. If your mask is cloth, then wash it each day. If your mask is disposable, then use a new one each day.
- GO DIRECTLY TO YOUR CLASSROOM.**

- a. The IVC campus is mostly closed so you should not visit other areas or seek any face-to-face services. Services are available to students online and can be accessed through [www.imperial.edu](http://www.imperial.edu).
5. **WASH YOUR HANDS FREQUENTLY (and use the provided sanitation supplies).**
  - a. Your classroom is equipped with cleaning supplies. Use them as needed.
6. **BE SURE TO SOCIAL DISTANCE (stay at least 6 feet from other).**
  - a. The number of students in a classroom at any one time is very limited so you have plenty of space to spread and ensure that you stay at least 6 feet from others.
7. **BRING YOUR OWN FOOD AND DRINKS.**
  - a. There is no food service currently offered on campus.

## Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

### How am I expected to act in an online "classroom" (especially Zoom)?

**Note: Our class will NOT use Zoom. Your other classes may use Zoom. This information is here for reference.**

Attending a virtual meeting can be a challenge when there are many students on one conference call. Participating in such meetings may count as class attendance, but disruptive behavior may also result in you not being admitted to future meetings. Follow the tips below for best results:

- 1) **Be RESPECTFUL**
  - a. Your written, verbal, and non-verbal communications should be respectful and focused on the learning topics of the class.
- 2) **Find a QUIET LOCATION & SILENCE YOUR PHONE (if zooming)**
  - a. People walking around and pets barking can be a distraction.
- 3) **EAT AT A DIFFERENT TIME.**
  - a. Crunching food or chugging drinks is distracting for others.
  - b. Synchronous zoom times are set in advance so reserve meals for outside class meetings.
- 4) **ADJUST YOUR LIGHTING SO THAT OTHERS CAN SEE YOU**
  - a. It is hard to see you in dim lighting so find a location with light.
  - b. If your back is to a bright window, you will be what is called "backlit" and not only is it hard on the eyes (glare) but you look like a silhouette.
- 5) **POSITION THE CAMERA SO THAT YOUR FACE AND EYES ARE SHOWING**
  - a. If you are using the camera, show your face; it helps others see your non-verbal cues.

- b. You may be at home, but meeting in pajamas or shirtless is not appropriate so dress suitably. Comb your hair, clean your teeth, fix your clothes, etc. before your meeting time to show self-respect and respect for others.
- 6) **BE READY TO LEARN AND PAY ATTENTION**
  - a. Catch up on other emails or other work later.
  - b. If you are Zooming, silence your phone and put it away.
  - c. If you are in a room with a TV – turn it off.
- 7) **USE YOUR MUTE BUTTON WHEN IN LOUD PLACES OR FOR DISTRACTIONS**
  - a. Pets barking, children crying, sneezing, coughing, etc. can happen unexpectedly. It's best if you conference in a private space, but if you can't find a quiet place, when noises arise **MUTE** your laptop.
- 8) **REMEMBER TO UNMUTE WHEN SPEAKING**
  - a. Follow your instructor's directions about using the **"raise hand"** icon or chat function to be recognized and to speak, but make sure you have unmuted your device.
  - b. Do not speak when someone else is speaking.
- 9) **REMAIN FOCUSED AND PARTICIPATE IN THE MEETING**
  - a. Especially when the camera is on YOU, we can all see your actions. Engage in the meeting. Look at the camera. Listen to instruction. Answer questions when asked.
  - b. Do not use the Zoom meeting to meet with your peers or put on a "show" for them.
- 10) **PAUSE YOUR VIDEO IF MOVING OR DOING SOMETHING DISTRACTING**
  - a. Emergencies happen. If you need to leave the room or get up and move about, stop your video.

## Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### How do I show academic honesty and integrity in an online "classroom"?

- **KEEP YOUR PASSWORDS CONFIDENTIAL.**
  - o You have a unique password to access online software like Canvas. Never allow someone else to log-in to your account.

- **COMPLETE YOUR OWN COURSEWORK.**

- When you register for an online class and log-in to Canvas, you do so with the understanding that you will produce your own work, take your own exams, and will do so without the assistance of others (unless directed by the instructor).

**Examples of Academic Dishonesty that can occur in an online environment:**

- Copying from others on a quiz, test, examination, or assignment;
- Allowing someone else to copy your answers on a quiz, test, exam, or assignment;
- Having someone else take an exam or quiz for you;
- Conferring with others during a test or quiz (if the instructor didn't explicitly say it was a group project, then he/she expects you to do the work without conferring with others);
- Buying or using a term paper or research paper from an internet source or other company or taking any work of another, even with permission, and presenting the work as your own;
- Excessive revising or editing by others that substantially alters your final work;
- Sharing information that allows other students an advantage on an exam (such as telling a peer what to expect on a make-up exam or prepping a student for a test in another section of the same class);
- Taking and using the words, work, or ideas of others and presenting any of these as your own work is plagiarism. This applies to all work generated by another, whether it be oral, written, or artistic work. Plagiarism may either be deliberate or unintentional.

• Note that **plagiarism** results in a **zero** for any assignment and could lead to discipline by the college which could not only mean **dismissal** from the class but also **permanent expulsion** from IVC. A zero especially on a major assignment also makes it virtually **impossible** to pass the course. Yes, it's easy to cut and paste text from the internet. You should be very aware that due to technology, detecting plagiarism is **even easier for us**. We don't have to even look. The system alerts us. It highlights the copied text, even if some words have been changed. It shows us the URL on the web or the student paper it was copied from-- instantly! If there is any plagiarism, I give you a 100% guarantee that this technology shall find it, whether it's from text on any page on the internet or another student's paper. **Of course** there are no do-overs for a plagiarized assignment. Most students would never plagiarize. But that one or two who might will very easily be caught with zero effort on my part and will suffer consequences.

(Note: If you are retaking this course, avoid self-plagiarism; that is, you will need to within reason hand in a substantially different essay even though it may be on the same topic as before. Any essay that is substantially the same as the student's own previous work will be graded zero.)

### Student Equity Program

The Student Equity & Achievement Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. SEA addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, LGBTQIA+, Veterans, foster youth, homelessness, and formerly incarcerated students. The SEA Program also houses IVC's Homeless Liaison, Foster Youth Liaison, Formerly Incarcerated Liaison, and Military Affiliated Liaison, who provide direct services and referrals to students in need. SEA strives to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to enrollment, education, degree and certificate completion, and the ability to transfer to a university. SEA also provides outreach at local Imperial County high schools to ensure graduating seniors are successfully matriculated into the college and have a strong support system. Please visit us online for assistance at <https://imperial.edu/students/student-equity-and-achievement/> or call us at 760-355-6465 or when campus reopens, visit Building 401.

### What if I cannot afford food, books, or need other help?

We have a weekly schedule, and students do the assignments. Nothing is in real time because everyone has different schedules (work, other classes, other life commitments).

Log in to Canvas and complete the course by completing the activities/assignments found in the Weekly Activity schedule, which shows a view of a weekly calendar.

If you have problems with Canvas, call Canvas 24/7 at (855) 712-9777. Provide your name, name of college, and the course name/CRN.

**Course Website:** Login in via **Canvas** through the [Student menu](#) at [www.imperial.edu](http://www.imperial.edu) or more directly here: <https://imperial.instructure.com/login/canvas>

**Note: You need to log in by Friday at noon on January 8th or you will be dropped. Furthermore, any student who does not complete the first mandatory activity of an online class on a timely basis will be dropped. After the first week, students are dropped if they do not complete any assignments over a 1-week period or miss two consecutive essays by their due dates. Do not enroll in an online course if you cannot keep track of assignments, or if you need someone in a classroom to remind you constantly to do assignments. If that describes you, stop reading this and drop the course now so someone else can take it. However, if you are a self-starter and are self-motivated, online learning can work VERY WELL for you!**
