Students who are late 3 times will receive an absence. Being more than 15 minutes late or leaving more than 15 minutes early will receive an absence. Attendance is also part of your participation grade.

Cell Phones: You can NOT have a cell phone on your desk or use it in class. Your cell phone MUST be turned off or set to vibrate during class.

Accommodations for Disabilities: Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. DSP&S is located in the Health Sciences Building, Room 2117 or call (760) 355-6312.

Academic Misconduct Policy: Academic misconduct includes misconduct associated with the classroom, laboratory or clinical learning process. Some examples are cheating and plagiarism.

Any student found by a faculty member to have committed academic misconduct may be subject to sanctions as determined by the faculty member. Sanctions may include a warning, grade adjustment, and course failure. Consequences for plagiarism include a zero on the assignment and a referral to Sergio Lopez, Dean of Student Development and Campus Events.

Discipline Policy: "Imperial Valley College is maintained for the purpose of providing students in the community with programs of instruction in higher education. The college is concerned with the fostering of knowledge, the search for truth and the dissemination of ideas. Students shall assume an obligation to conduct themselves in a manner compatible with the college's function as an educational institution.

An instructor MAY REMOVE a student for the day of removal and the next class meeting. Such action must be immediately reported to Sergio Lopez, Dean of Student Development and Campus Events. During the period of removal the student MAY NOT return without the consent of the instructor

Assignments & Grading

Homework and Class Assignments: All assignments MUST be completed and turned in to pass the class. Late assignments will loose points for each week that it is late.

Tests: These will be assigned every couple of weeks after we have completed a unit (a total of 7 tests). Each test is worth 50 points.

Exams: There will be a final in this class. It will be cumulative, which means it will include everything we have covered in class. Note that if you don't do the assignments and pay attention in class, you will do poorly.

Participation: Participation is a vital component of this course. You are expected to contribute to class discussions on a regular basis. Unwillingness to participate will result in deduction of points from your final grade.

Grading: It is based on a 1000 point total, which includes homework assignment, tests, final exam, and participation.

Homework Assignments	300 points	A= 90-100%
Writing(10x 30pts each)	300 points	B= 80-89%
Participation	150 points	C= 70-79%
Final	250 points	D= 60-69%
