

Basic Course Information

Semester	Winter 15	Instructor Name	Jose Velasquez
Course Title & #	BLDC 130	Email	Jose.velasquez@imperial.edu
CRN #	15126	Webpage (optional)	
Room	3117	Office	3118
Class Dates	06/01/2015- 06/02/2015	Office Hours	M-R 1:00-4:00pm
Class Days	MTWRF Lecture MTWRF Laboratory	Office Phone #	(760) 355-5758
Class Times	MTWRF 8:00 -9:20 am MTWRF 9:30-1:55am	Office contact if student will be out or emergency	(760) 623-6274
Units	4.0		

Course Description

This course provides instruction in building layout and structural framing systems typical to residential construction and will include: materials, fasteners, measuring, use of tools, construction safety, and hands-on applications.

Student Learning Outcomes

1. Accurately will translate the framing detail from the blueprints to the bottom and top plates in order to erect a wall with proper rough openings. (ILO1, ILO2)
2. Analyze a single story floor plan to quantify the lumber necessary to erect all the exterior walls. (ILO1, ILO2)
3. Demonstrate two techniques of squaring a wall or a room prior to loading the structure with the roof framing. (ILO2, ILO3, ILO4)
4. Demonstrate the ability to determine the slope of a roof using a one foot level and a measuring tape. (ILO1, ILO2, ILO3)

Course Objectives

Upon successful completion of this course, the students will:

- 1. Demonstrate safe practices in carpentry.**
- 2. Relate blueprint information to building layout and rough framing.**
- 3. Identify, separate, maintain, and use common hand and power tools of the trade.**
- 4. Identify different fasteners used in carpentry**
- 5. Layout and construct wall sections.**
- 6. Describe how sills, posts, fire stops, window pockets, and doorways are constructed.**

Textbooks & Other Resources or Links

Required Information—discretionary language

1. Take from CurricUNET or list. Be sure to include ISBN number. Instructors to address which resources they will use and/or supply additional ones

2.

Course Requirements and Instructional Methods

Write a 2,000 word technical review essay documenting all the observations.

Out-of-class Assignments:

Visit a construction site where concrete work is going on. Examine the forms, reinforcing, and concrete work. Observe how the concrete is brought to the site, transported, placed, compacted and finished. Make a special observation at the curing method of the concrete and the removal time of the forms.

Course Grading Based on Course Objectives

A= 90%-100% Excellent

B= 80%-89% Good

C= 70%-79% Satisfactory

D= 60%- 69% Pass, less than satisfactory

F= 59%&Below Failing

The course grade will be determined by various factors such, as class participation, classroom assignments, chapter reviews & drawing project, midterm & final exams. The grading range is as follows:

Class Participation	25%
Laboratory	25%
Midterm	25%
Final Exam	25%

Attendance, Late Assignments:

Absences and tardiness provide an opportunity to miss valuable instruction presented by the instructor, guest speakers, and site administrators. Tardiness will contribute to lower scores on assignments and subsequently a lower course grade. All assignments are due on the specified completion dates and all students have the same and equal time to complete all assignments as per the course calendar. Considerations will be given to those late assignments

accompanied by a written medical statement from a physician. 25% of possible points will be penalized for late work. Any assignment can be turned in prior to the due date!

Attendance

Required language

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

Required Information --Discretionary language

This is where an instructor explains his/her policy on these matters. Here is some suggested language:

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor. **Consider:** specifics for your class/program
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

Required Language

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to 'cite a source' correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others

during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Additional Help – Discretionary Section and Language

The instructor can add the information pertinent to his or her class here. Some suggested language:

- Blackboard support center: <http://bbcrm.edusupportcenter.com/ics/support/default.asp?deptID=8543>
- Learning Labs: There are several ‘labs’ on campus to assist you through the use of computers, tutors, or a combination. Please consult your college map for the Math Lab, Reading & Writing Lab, and Study Skills Center (library). Please speak to the instructor about labs unique to your specific program.
- Library Services: There is more to our library than just books. You have access to tutors in the Study Skills Center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Required Language: Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313, if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Required Language: Students have counseling and health services available, provided by the pre-paid Student Health Fee. We now also have a fulltime mental health counselor. For information see <http://www.imperial.edu/students/student-health-center/>. The IVC Student Health Center is located in the Health Science building in Room 2109, telephone 760-355-6310.

Student Rights and Responsibilities

Required Language: Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities, please refer to the IVC General Catalog available online at http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762

Information Literacy

Required Language: Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. Students can access tutorials at <http://www.imperial.edu/courses-and-programs/divisions/arts-and-letters/library-department/info-lit-tutorials/>

Anticipated Class Schedule / Calendar

Required Information –Discretionary Language and Formatting: The instructor will provide a tentative, provisional overview of the readings, assignments, tests, or other activities for the duration of the course. The faculty may find a table format useful for this purpose.

Date or Week	Activity, Assignment, and/or Topic	Pages/ Due Dates/Tests
1	Introduction Safety Framing layout	

2	Framing layout, detail and measuring	
3	Building codes, framing walls and partitions Framing Roofs, Installing Trusses Midterm Exam	
4	Framing Roofs, Installing Trusses	

Week 5. Framing Patios

**Week 6 Installing wall and roof sheeting
Final Exam**
