Required Textbook: none

Readings may be required and will be provided on Blackboard or by the instructor

Course Requirements and Instructional Methods

- **Participation in class:** Students are required to attend all regular class meetings on time. Absences from class and excessive tardiness will result in a loss of points towards the final grade. Students should inform the instructor by e-mail (preferred) or telephone if it is necessary to be late or to miss a class.
- **Portfolio for drawings completed:** There will be a minimum number of drawings required at the end of the semester. Portfolios are reviewed **two times** during the semester. You don't know which drawings I will be asking for, so **KEEP EVERYTHING!**
- **Sketch Journal:** The sketch journal is the tool artists use to give visual form to their thoughts. Ideas that are not given visual form will disappear. Sketch journals should have drawings as well as writing and collage elements. It is the record of thought process of the artist. Working in the sketch journal should be part of any artist's daily life. Sketch journals will be evaluated several times during the semester for extra credit and on a daily basis for homework assignments. Bring your journal to every class meeting. Evaluations for extra credit will, in some cases, be unannounced. A *Journal Evaluation Form* might be taped inside the front cover of your sketchbook.
- **Final Portfolio Review:** Portfolios of work completed by each student will be reviewed by the instructor two times during the semester. Students will make an appointment with the instructor for this purpose. There will be two class sessions set aside for the purpose of preparing portfolios for review.
- Final critique will be during the last 2 regular class meetings of the semester.
- **Written Assignments:** Students will be required to complete at least two papers describing their observations to visits to museums, galleries, and/or cultural events and one essay about a work of art in a museum or about a historical or contemporary artist.

Instructional Methods:

Lectures/demonstrations and audio-visual presentations; ongoing studio critiques and discussions; studio, gallery and museum visits; guest speakers.

Students are expected to actively participate in the above, as well as to complete studio projects, written assignments, portfolios for review and attend cultural events/places.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.

For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
