Basic Course Information

Semester	Spring 2016	Instructor Name	Eric Lehtonen
Course Title & #	Math 210 Calculus III	Email	eric.lehtonen@imperial.edu
CRN#	20803	Webpage (optional)	
Room	2728	Office	2763
Class Dates	2/16-6/10	Office Hours	MTWR 16:45-17:45
Class Days	MW	Office Phone #	(760)355-6522
Class Times	14:00-16:30	Office contact if	(760)355-6155
		student will be out	
Units	5	or emergency	

Course Description

COURSE/CATALOG DESCRIPTION:

Concepts dealing with integration applications, methods of integration, infinite series, plane analytic geometry, parametric equations, and polar coordinates.

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

- 1. Write the equations of lines and planes in three dimensions (ILO2)
- 2. differentiate and integrate vector-valued functions (ILO2)
- 3. use rectangular coordinates to set up and evaluate double and triple integrals (ILO2)
- 4. find partial derivatives of functions of two or more independent variables. (ILO2)
- 5. apply the chain rule for functions of more than one variable. (ILO1, ILO2)

Course Objectives

Upon satisfactory completion of the course, students will be able to:

Demonstrate a broad understanding of the basic operations with vectors in various coordinate spaces and a variety of 3-dimensional figures.

- 2. Demonstrate their knowledge of vectors to differentiation and integration of vector-valued functions.
- 3. Demonstrate the use of functions of several variables and apply techniques to relevant situations.
- 4. Demonstrate an understanding of double and triple integrals and the ability to solve problems when dealing with applications of multiple integrations.
 - 5. Evaluate and demonstrate knowledge of diverse topics in vector analysis.

Textbooks & Other Resources or Links

Text: Larson: Calculus 10th ed. ISBN 978-1-285-05709-5

Course Requirements and Instructional Methods

Calculator: The TI-30 or equivalent scientific Calculator. Graphing Calulators are not permitted.

<u>Out of Class Assignments</u>: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time <u>and</u> two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Final Exam	30%	There will be a comprehensive final
Tests	60%	There will be four tests.
Assignments	10%	As needed

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of
 an online class will be dropped by the instructor as of the first official meeting of that class. Should
 readmission be desired, the student's status will be the same as that of any other student who desires to add
 a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog
 for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused
 absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online
 courses, students who fail to complete required activities for two consecutive weeks may be considered to
 have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- <u>Food and Drink</u> are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- <u>Disruptive Students:</u> Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- <u>Children in the classroom:</u> Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

• <u>Plagiarism</u> is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to 'cite a source' correctly, you must ask for help.

• <u>Cheating</u> is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Additional Help - Discretionary Section and Language

- Blackboard support center: http://bbcrm.edusupportcenter.com/ics/support/default.asp?deptID=8543
- <u>Learning Labs</u>: There are several 'labs' on campus to assist you through the use of computers, tutors, or a combination. Please consult your college map for the Math Lab, Reading & Writing Lab, and Study Skills Center (library). Please speak to the instructor about labs unique to your specific program.
- <u>Library Services:</u> There is more to our library than just books. You have access to tutors in the Study Skills Center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313, if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee. We now also have a fulltime mental health counselor. For information see <a href="http://www.imperial.edu/students/stu

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and due process. For further information regarding student rights and responsibilities, please refer to the IVC General Catalog available online at http://www.imperial.edu/index.php?option=com_docman&task=doc_download&gid=4516&Itemid=762

Information Literacy

Required Language: Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. Students can access tutorials at http://www.imperial.edu/courses-and-programs/divisions/arts-and-letters/library-department/info-lit-tutorials/

Anticipated Class Schedule / Calendar

CLASS AND TEST SCHEDULE

Feb 15	Holiday	Apr 18	Review
Feb 17	Introduction,11.1	Apr 20	Chap. 13 Test
Feb 22	11.2-11.3	Apr 25	14.1,14.2
Feb 24	11.4-11.5	Apr 27	14.3,14.4
Feb 29	11.6-11.7	May 2	14.5,14.6
Mar 2	12.1,Review	May 4	14.7.14.8
Mar 7	Chap. 11 Test	May 9	Review
Mar 9	12.2,12.3	May 11	Chap. 14 Test
Mar 14	12.4-12.5	May 16	15.1,15.2
Mar 16	13.1,Review	May 18	15.3,15.4
Mar 21	Chap. 12 Test	May 23	15.5
Mar 23	13.2,13.3	May 25	15.6
Mar 28	Spring Break	May 30	Review
Mar 30	Spring Break	Jun 1	Chap 15. Test
Apr 4	13.4,13.5	Jun 6	Review
Apr 6	13.6,13.7	Jun 8	Final Exam
Apr 11	13.8,13.9		
Apr 13	13.10
