Course Objectives

Metas del curso: El curso se compone de lecturas de fondo histórico/cultural, del pasado al presente, al futuro; sección de incremento de vocabulario, reglas gramaticales, prácticas de escritura y cintas auditivas, más videos de las varias culturas hispanohablantes. Este curso está diseñado para desarrollar en el estudiante los cuatro componentes básicos en el aprendizaje del idioma: el componente auditivo, el oral, la lectura y la escritura. Lo anterior se logrará con una constante comparación entre el español y el inglés. De igual forma, en nuestro curso analizaremos la diferencia entre el español oficial y el español popular, enfatizando la coexistencia de estos dos idiomas en nuestra región. Aprovecharemos la gran riqueza cultural, artística y literaria latinoamericana, española y de las comunidades hispanohablantes de los Estados Unidos para lograr el objetivo del curso que es: **desarrollar su destreza lingüística tanto oral como escrita**. El énfasis de esta clase se concentrará en los tiempos presente, pretérito, imperfecto, futuro, condicional, y presente del subjuntivo.

Objetivos del curso

1. Al finalizar el curso del estudiante deberá demostrar su conocimiento de términos gramaticales, deberá poder definirlos, describirlos, seleccionarlos, identificarlos y escribir con corrección.
2. Deberá poder aplicar conceptos gramaticales a nueva situaciones, por ejemplo las reglas de acentuación, tiempo, y modos del verbo.
3. Deberá mostrar el uso correcto de vocabulario oral y escrito.

Attendance

Asistencia: Se espera que los alumnos asistan a todas las clases. Cualquier alumno que falte a la primera clase será dado de baja. Queda a criterio del maestro dar de baja al alumno que falte, consecutivamente, más de la cantidad de horas que se reúne la clase en una semana. En caso de no poder asistir a una clase, cualquiera que sea la razón , favor de preguntarle al maestro o a algún compañero lo que se cubrió en clase para evitar el atraso de las asignaturas.

Asistencia. Es muy importante asistir a clase, listo para aprender y a la hora indicada.

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
