Course Requirements and Instructional Methods

It is estimated that each student should invest 10 hours a week on class preparation. Each student is responsible for required readings and written/spoken assignments from each unit in the textbook and workbook. In addition to that, as part of your assignments, you will be required to go to the Language Laboratory once a week for 1

hour (60 minutes) and work on specific assignments. Throughout the semester you will give three formal speeches. Students will also take quizzes and submit journal entries on Canvas.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Attendance, Late/Missed Work, Make-up Quizzes/Tests and Speeches

- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Keep in mind that students who are punctual and attend every class meeting are more likely to succeed in the class.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- Students who show up late and/or leave early will be marked tardy or late. This might affect their participation points.
- Talk to me (or email me) if you have a valid excuse to leave early or miss class.
- If you are absent, it’s your responsibility to find out what we did in class and whether there is any assigned homework.

following class meeting for partial credit only (50%). For example, if an assignment is due on Monday, and you don't do have it, you have until Wednesday at the beginning of class to turn it in for partial credit (50%). If you bring it on Friday, I will not accept it.

- If you know that you are going to be absent on a day the students are taking a quiz/test or giving a speech, and you have a valid excuse, you must speak with me to schedule an appointment to take the test/quiz or give the speech in advance. Only students who have a valid excuse will be allowed to make up work. No make-up quizzes/tests or presentations (speeches) will be permitted without a prior arrangement. Make-up quizzes/ tests will be taken in the Study Skills Center by appointment only or during my office hours in room 809.

It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
