Students are responsible for changes, regardless of class attendance. SW

- In-Class Debates:** Parliamentary style debates. These debates involve topic announcement, prep time, and a full debate. Times will increase as the semester continues. You will debate with a variety of partners. You will also learn to judge debates and will judge throughout the semester.
- In-Class Activities:** In-Class Activities: These activities are done in class and help teach the basics of argument construction and debate. These activities CANNOT be made up outside of the scheduled class time.
- Exams:** The exams are broken into two parts. The first exam is on the textbook and basic argument construction. The second exam focuses on Parliamentary Debate. The exams will be a mix of fill-in-the-blank, short answer, essay, and application questions. The exams cover the required readings and in-class lectures.
- Debate Flow:** Flow a U.S. Collegiate parliamentary debate (45 min-1 hour) Use YouTube or the University of Utah’s debate page. Include two FULL paragraphs, who won in your opinion and why, who lost and why? Flows are to be done by hand and are due at the BEGINNING of class on the day assigned. You are responsible for keeping track of your flows.
- Debate Prep:** Using the internet, you will prepare 6 prime minister cases, including source cites. Prep homework is also due at the beginning of the class period.
- Reader's Notes:** 1 page of handwritten notes per chapter in the textbook. These notes are due at the BEGINNING of class on the day assigned. You should identify key terms, write any questions, connect to personal understanding, etc

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
